

PERSONAL SAFETY AND SECURITY

MONTANE
Protective Security

We can design, plan and implement personal protection services tailored to meet unique and specific requirements across current and evolving threat scenarios.

Personal Security and Safety

Today's threat environment is constantly evolving and becoming increasingly malicious; whether living, operating or travelling within Australia or overseas.

MPS offers a range of security and safety solutions specifically tailored to keeping you, your family, executives, staff and business operations safe.

Our discreet, comprehensive personal protection services are based on personable and detailed client engagement, and extensive qualifications, experience and training.

- Close Personal Protection (Australia and overseas)
- Tailored security threat and risk assessments
- Country and region / travel security and safety briefs
- Emergency management and incident response plans
- Intelligence reporting and briefs
- Mobile and home based device security
- Special projects and services

We understand the multiple and varied domestic and global risks facing our clients - including terrorism, issue motivated groups, cybercrime, serious and organised crime, and kidnap and ransom.
